

Angels Den Sponsorship - £1,500 + VAT

An exciting new opportunity is available at this year's Nanomed conference. We are looking for a sponsor for the innovative session The Angels Den. This sponsorship will give your organisation good profile with University researchers and those with commercial interests alike. All future PR related to the Angels Den will include your organisation's name and branding.

Benefits Include:

- Session will be branded '<your organisation> Angels' Den' i.e. Benchmark Angels' Den.
- Company logo displayed by PowerPoint on holding slides and title slides during the Angels Den session
- A representative from your organisation will present the prize package to the winning pitch
- Acknowledged in sponsors list in conference handbook
- Media promotion in association with sponsored session
- Free registration for **two** delegates - includes all conference sessions & conference dinner
- 15% discount on further delegate registrations
- Exhibition space at the conference - 3 x 2 metres
